

# DIGITAL ARTS DIALOGUE

## Worksheet "All on the same train"

### Instruction:

You board the train from Batumi (Georgia) to Paris (Gare de l'Est). Usually, the journey takes 53 hours, but as there is significant work on the routes, it will certainly take almost four days to reach Paris. You travel in a sleeper compartment that you need to share with three other people.

Which of the following passengers would you like to share your compartment with? (In Choose 3)

Which of these passengers wouldn't you want to share your compartment with? (In Choose 3)

- 1 A young Frenchman returning from Syria
- 2 An overweight Swiss bank manager
- 3 An Italian DJ with a stereo
- 4 An African man selling leather products
- 5 A young Polish artist who is HIV-positive
- 6 A German rapper living a very different lifestyle from yours
- 7 A blind Austrian accordionist
- 8 A Ukrainian student without a valid passport
